"To Whom It May Concern:

After assessing a number of agents in the area we decided to engage Iris Leong of Amsure Realty to assist in the sale of our property located in the Meriton Development in Waterloo. Iris explained to us the dynamics of the development and made it clear that she had a very thorough knowledge of the properties in the development and was very resourceful in attracting purchasers.

We explained to Iris that we would only entertain offers at or above our set price. Iris respected our decision and never sought to challenge us to either change our price or to negotiate lower. Whilst it may have taken some time, Iris was persistent and continued to show people through the property. She provided on-going up dates and worked very diligently in selling the property

We would have no hesitation in recommending her services"

"The sale of my apartment was secured within 3 hours of approaching Amsure Real Estate. The key to this sale was due to Iris Leong knowing a potential buyer that was specifically looking for the features my property offered and arranging a viewing at earliest opportunity. This resulted in the buyer making a generous offer almost immediately. I am happy to report that the first potential buyer and I have opportunity to thank Iris and her team for their support and professionalism in securing the fastest property sale I've ever known."

"My husband and I are so happy that Iris Leong of Amsure Realty was able to sell our investment property very quickly and at a very good price. Considering the tough property market situation on 2009, Iris was able to add a few more thousands on the selling price that we have agreed on. As investors, we are also very grateful on the very good services that Crown Square Management had provided for the last six years."

To Whom It May Concern,

I had the pleasure of Iris selling my apartment recently and I wanted to let everyone know how professional, sincere & most importantly managed to get the price that I wanted. Iris from the very start put a plan in place to achieve maximum result & always kept me informed weekly on how things were going like open inspections, interest & etc. I would not hesitate recommending Iris & I will definitely call on services in the future. Thankyou Iris it's been a pleasure doing business with you.

Regards,
Ali.
